and Investors FastTrack® [FT]. This Agreement governed by the laws of the State of Louisiana. The term of this Agreement is from the moment FT licensed materials are received by the user until such materials are destroyed and all copies of such materials are removed from Licensee's computer memory and media, paper, and publications.

## Definitions:

**"Data"** is investment security prices, distributions, highs, lows, market indices, names, tickers, and other numeric and textual information regardless of how stored or redistributed. Data is collected by FT and redistributed to Licensee. Data use and distribution is restricted under the terms of this Agreement. Data may not be used, modified, updated, extracted, or appended by the Licensee except during the term of a Subscription Agreement with FT.

**"FastTrack"** is a computer program, documentation, and methods which is entirely the property of FT. FastTrack® may be used only with Data during the term of a Subscription Agreement with FT.

## Data License

FT grants to Licensee a nonexclusive, nontransferable, limited, license to use FastTrack® and Data. Data may be used only in conjunction with FastTrack® and "Permitted Use" as defined herein.

This License Agreement shall supersede, in their entirety, all prior License Agreements between FT and Licensee and Licensee's predecessors. FT retains all rights to Data or FastTrack® which were licensed by prior agreements and not explicitly transferred to Licensee.

## Limitations

FT and its suppliers shall not be liable for errors, omissions, or malfunctions, nor for damages incurred by the Licensee with regard to the use of Fast-

Track® or Data. The Data and FastTrack® do have undiscovered errors.

## FT Obligations

FT will make reasonable correction efforts when notified of errors.

## Copying and Redistribution

FastTrack® and Data are protected under US and international copyright laws. Copying, modifying, or redistributing without express written permission of FT is prohibited.

## Permitted Use

Licensee may produce "Publications". These Publications may be distributed in human readable format on paper, Adobe PDF, html, or comparable formats for distribution to subscribers or for promotional purposes.

The Publications may contain computational results derived from Data and Data except as excluded below.

Taken all together, during a single calendar month, Publications may not contain Data or its derivatives for more than the number of ticker symbols explicitly selected on the FastTrack® Subscription Agreement during any given month. These symbols may be varied from month to month.

Publications may not use or contain

- \* dividend values except yield for periods of one year or more,
- \* daily closing prices
- \* periodic computations for periods less than one month (excepting reporting from point of inception) unless explicitly permitted by Subscription Agreement.

Permission to use does not imply fitness or suitability of Data or FastTrack® for any specific or intended purpose. The Publications shall be of similar character and content to samples herein attached to this agreement.

Pub Name #1 \_\_\_\_\_

Pub Name #2 \_\_\_\_\_

Pub Name #3 \_\_\_\_\_

## Licensee Obligations

The Publications shall conspicuously display the notice, "Data Provided by www.FastTrack.net" on each page where Data is used. Additionally, where the media similar to PDF, html, scripts, .DOC, etc. supports such links, the notice must be linked to

<http://www.FastTrack.net>

The links shall be explicitly coded as above and not coded as in a form that the true link destination is hidden from search engine crawlers.

Licensee agrees to provide on FT's request, free, unrestricted access to, or copies of Publications for audit purposes.

## Rights to Data

FT's access to some portions of Data under this Agreement is subject to agreements with data suppliers, exchanges, and government (Agencies). License is expressly conditioned on the effectiveness of FT's agreements with Agencies. Licensee is responsible for all fees which may be levied by Agencies arising from Licensee's use of Data.

If FT's access is restricted by Agencies, the License continues only to the extent FT retains rights.

FT reserves all rights to select, correct, add, and choose the content of Data. This includes the right to remove any or all of the portion of Data related to any security or group of securities without notice to Licensee. The removal of portions of Data as described above shall not void this license or entitle Licensee to any refund or other compensation.

IF YOU DO NOT ACCEPT THESE TERMS, THEN YOU MAY NOT USE FASTTRACK® OR DATA.

and Investors FastTrack® [FT]. This Agreement is governed by the laws of the State of Louisiana. Definitions defined in the FastTrack License Agreement are used in this agreement.

FT will provide SUBSCRIBER access to FT Server computers via Internet to download Data and FastTrack (the Service) to SUBSCRIBER's *single server* or its replacement.

SUBSCRIBER agrees to pay FT for the Service without regard to SUBSCRIBER's actual Service usage. This Agreement will be automatically renewed for successive terms until cancelled by either party.

**Costs**

Payment to FT will be in advance for one year. A single, one time initiation fee of \$500 will be due with the initial subscription, or after a lapse of 90-days. With respect to the initial fee, FT will provide reasonable, initial *telephone assistance* in the custom design and setup of the users application.

**Refund Policy**

Either party may cancel at anytime. FT will prorate the subscription paid and refund for any month during which the service will not be used - or - SUBSCRIBER will remit any monthly prorated subscription due.

**Term**

This Agreement shall be automatically renewed for successive one-year terms until cancelled by either party.

The terms of this Subscription Agreement shall supersede, in their entirety, all prior Subscription Agreements between FastTrack and SUBSCRIBER and SUBSCRIBER's predecessors.

All rights to Data or FastTrack which were licensed by prior agreements are retained by FT and not transferred to SUBSCRIBER.
